

CORPORATE GOVERNANCE REPORT

CORPORATE GOVERNANCE PRACTICES

The Company has a policy of seeking to comply with the established best practice in corporate governance. The Board believes that good corporate governance is crucial to improve the efficiency and performance of the Group and to safeguard the interests of its shareholders. For the year ended 31 December 2014, the Company has applied the principles of the Corporate Governance Code and Corporate Governance Report as set out in Appendix 14 of the Rules Governing the Listing of Securities on the Stock Exchange (the “Listing Rules”) (the “Code”), and the associated Listing Rules. During the year ended 31 December 2014, the Company has complied with the code provisions of the Code (“Code Provision(s)”), except for certain deviations as specified and explained below with considered reasons for such deviations.

1. Under Code Provision A.2.1 of the Code, the roles of chairman and chief executive officer should be separated and should not be performed by the same person.

Since the resignation of Dr. You Xian Sheng as the chairman and the executive director of the Company on 31 January 2014, the Company has not appointed a new chairman of the Board (the “Chairman”). Until the appointment of the new Chairman, the Board collectively focuses on the overall strategic planning and development of the Group and effective functioning of the Board.

Since the resignation of Mr. Chen Shou Wu as the chief executive officer of the Company (the “Chief Executive Officer”) and the executive director of the Company on 1 March 2014, the Company had not appointed a new Chief Executive Officer. Until the appointment of Mr. Wang Hui, the executive director of the Company, as the new Chief Executive Officer on 29 January 2015, the executive directors of the Company, possessing extensive relevant industry knowledge, collectively oversee the day-to-day management of the business and operations of the Group.

The Board believes that this arrangement still enables the Company to make and implement decisions promptly, and thus achieve the Company’s objectives efficiently and effectively in response to the changing environment.

The Board will review the current situation from time to time and shall make necessary arrangements when the Board considers appropriate.

2. Under Code Provision A.2.7 of the Code, the chairman should at least annually hold meetings with the non-executive directors (including independent non-executive directors) without the executive directors present.

Since the resignation of Dr. You Xian Sheng as the chairman and the executive director of the Company on 31 January 2014, the Company has not appointed a new Chairman, no meeting was held between the Chairman and the non-executive directors (including independent non-executive directors) of the Company without the executive directors of the Company present during the year ended 31 December 2014.

3. Under Code Provision A.6.7 of the Code, the independent non-executive directors should also attend general meetings and develop a balanced understanding of the views of shareholders.

Due to personal commitment, an independent non-executive director of the Company was unable to attend a special general meeting of the Company held on 9 October 2014.

4. Under Code Provision E.1.2 of the Code, the Chairman should attend the annual general meeting. Since the new Chairman has not been appointed following the resignation of Dr. You Xian Sheng as the Chairman on 31 January 2014, Mr. Wang Hui, the executive director of the Company, has been elected by other directors of the Company present to act as the chairman of the annual general meeting of the Company held on 30 May 2014 in accordance with the Bye-laws of the Company.
